

The Art of
Cheryl Hucke

Cheryl Hucke

has a degree in graphic design.

She worked for many years as a floral designer.

She is greatly inspired by nature.

She mainly paints with acrylics and enjoys photography.

Artist Statement:

“I have found that creating art makes me feel like I am doing what I was created for. From building the frame and wrapping it with canvas to varnishing the finished painting. I enjoy every minute of it.

When taking pictures, I feel blessed to be able to see God’s amazing creations in this world. From the smallest flower to the tallest tree, nature never ceases to inspire me.”
