The Art Work of Chris Vernier

Artist Member of Arts for ACT Gallery

Chris Vernier

Chris Vernier is a naturally gifted watercolorist. She created her first piece in 1971, worked the outdoor art circuit and then, left her passion behind to pursue the corporate world of business.

Now, retired and happily living in Southwest Florida, Chris has resumed her painting with a fervor. You may find her works on the internet, in various art leagues and at Arts for ACT Gallery.
